

**GOVERNMENT OF ANDHRA PRADESH  
ABSTRACT**

Unique Identification Authority of India (UIDAI) – Aadhaar – notified as a Proof of Identity (PoI) and Proof of Address (PoA) for accessing services offered by the State Government - All the departments of the State Government to incorporate Aadhaar in their service delivery processes – Orders- issued.

---

**PLANNING (V) DEPARTMENT**

**G.O.MS.NO. 12**

**Dated: 23.06.2011**

**Read:**

**ORDER:**

The Unique Identification Authority of India (UIDAI) has been established by the Government of India to provide all residents with Unique Identity numbers called “Aadhaar” on demand with the ability to authenticate oneself any time anywhere in the country. In Andhra Pradesh, enrolment for Aadhaar is in progress and the enrolment of the residents is made through proper verification and capture of Demographic Data and Biometrics. An Information Communication Technology (ICT) plan for integration of Aadhaar with the data bases of the welfare and other departments has been prepared and the Aadhaar can be embedded in the databases of the departments and use the authentication for delivering the services in a more transparent and efficient manner.

2. In view of proliferation of an Aadhaar based identity system, the Government after careful examination decided, to recognize Aadhaar as a Proof of Identity (PoI) and Proof of Address (PoA) for accessing services offered by the Government and advise all the line departments of the State Government to incorporate Aadhaar in their business processes to further streamline services offered to the residents.
